## MR. M. KOELCH DEAD.

Died in Houston and Remains Brought  
Here for Burial.

The remains of Mathis Koelch, for many years a resident of the Kurten neighborhood, who died at his home in Houston Tuesday, March 2, after an extended illness, arrived on the northbound Houston & Texas Central passenger train at 1:40 p. m. and were interred in the city cemetery at 2:30.

Mr. Koelch was born in Germany and came to this country while a young man and lived in the Kurten neighborhood in this county for a number of years. He moved to Houston about six months ago and had been living with his children in that city since.

He was 59 years of age at the time of his death.

He was one of Brazos County's wealthiest and most progressive German citizens during his residence here and had a large number of friends in Bryan and other parts of the county who will regret very much to learn of his death.

He is survived by a widow and four sons, all of Houston.

## J. L. ROBERTSON DEAD.

J. L. Robertson, a well known citizen of this city, died at his home this afternoon at 2:15 o'clock, after a continued illness of several weeks. The funeral arrangements had not been made when The Eagle went to press. A more extended notice will appear in the columns of The Eagle later.

## TWO SALOON BURGLARIES.

The saloons of Palermo Brothers and Frank Kosh, both on Main street, were entered last night by an unknown burglar or burglars and quantities of whiskey and other liquors stolen. The cash registers at both places were rifled and \$1.75 in small change stolen from Mr. Kosh's place, but no money was obtained at Palermo Brothers'. The thief effected an entrance to both houses at the rear of the buildings. A transom was forced open at one place and a window at the other. Sheriff Nunn and the other officers were notified as soon as the burglaries were discovered, and although no arrests have been made as yet, they hope to have the burglars apprehended in a short time.

## CARD TO THE VOTERS.

In announcing my candidacy for the office of city secretary of Bryan, I do so with the firm conviction that I am thoroughly qualified to discharge the duties of the office in an intelligent and systematic manner. Did I not believe myself capable of rendering the service the office deserves and to which the people are entitled, I would not offer for the place.

If elected, I pledge the people faithful service. I will be at my post of duty and the office will be kept open during business hours for the transaction of the city's business. Every person, regardless of standing or position, having business with the office, will be shown every possible courtesy and every favor possible will be granted.

I need the office and will appreciate the assistance of all who can see their way to support me. Assuring the good people of Bryan that if they honor me with the office I will so fill it as to never give them cause to regret their action, and again soliciting your support. I am, Yours respectfully,  
(Adv.) DAN DE MARET.
